things to remember...

- the waste should be unloaded as directed by the transfer station attendants;
- rummaging for items is not permitted, items can be purchased from the resale area;
- owner is responsible for removing any confidential/private data from electronic devices before disposal, once disposed of, no items can be returned or reused;
- if dogs accompany you to the transfer station, they must be restrained;
- chemical containers will only be accepted on appointed drum-muster days;
- scrap metal will be accepted at all transfer stations free of charge provided it is not within a mixed load;
- loads larger than a tandem trailer should be taken to Cleanaway Landfill at Inkerman (08 8867 1355).
